RE: Demand for reimbursement of costs expended investigating the Former Rogers Cartage Facility, Cahokia, IL Site # B5SF Demand Letter

Dear Sir or Madam:

The United States Environmental Protection Agency (EPA), in cooperation with the Illinois Environmental Protection Agency, has been conducting response actions to address contamination at the former Rogers Cartage Site ("the Site"), in Cahokia, IL. Under § 107(a) of CERCLA, 42 U.S.C. § 9607(a), you are responsible for unrecovered costs incurred by EPA while investigating the Site.

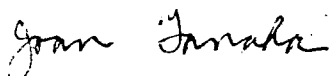

Pursuant to authority contained in § 104 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), 42 U.S.C. § 9604, the EPA determined that there was a release or substantial threat of a release of hazardous substances (as defined by § 101(14) of CERCLA) at the Site.

Responsible parties under CERCLA include current and former owners or operators of the Site, persons who arranged for treatment and/or disposal of any hazardous substances found at the Site, and persons who accepted hazardous substances for transport and selected the Site to which the hazardous substances were delivered. EPA has evaluated evidence in connection with its investigation of the Site and determined that you are a Potentially Responsible Party.

The approximate total response costs identified for the Site through April 15, 2011, total \$26,263.20. A summary of these costs is enclosed.

work out an allocation among themselves to apportion costs; however, whatever allocation system the PRPs develop among themselves, EPA considers all PRPs to this Site jointly and severally liable for the amounts demanded in this letter until all costs are reimbursed or an appropriate settlement is achieved pursuant to Section 122(h) of CERCLA. Limiting language on the check or in accompanying letters will be considered to be advisory only and will not be considered as placing conditions on the amount paid or as limiting liability on other costs demanded in this letter.

Sincerely,

Joan Tanaka, Acting Chief  
Remedial Response Branch #1
